## OSM – The Company

OSM was established in 2002 by Vui Sebastian Mariner and his wife Shorley who are Co-Directors of the company. OSM is an acronym for the names of the owners of the business and their two daughters, Olisana and Okalani.

### Company Vision

*Commitment to excellence, delivering timely and high quality, innovative solutions for civil engineering and infrastructural orientated type projects that meet the needs of the people of Samoa.*

### Staff

OSM offers a young but highly skilled and qualified team of engineers, technicians, administrators, accountants, community developers, planners and project managers. We strive to maintain the highest standard of professionalism. We are ready to serve you.

### Values

Our work is underpinned by strong Christian principles and values.

We value what we do and how people feel about the quality of the work we deliver.
